

New Year, New Tools and a New Site

Help Build Our New Website

As we enter 2008 we are busy here at the Innovation Center building our new website filled with practical tools and activities to support youth and adult engagement in social justice efforts. We're looking for lots of new tools and activities to stock the site. Please send us activities or tools that you have used and would like to share with others. Email us at ideas@theinnovationcenter.org. With your help, we will have the new site up and running by the end of May.

Inventory Closeout Sale

We're closing out our stock of the popular video *Taking the Reins Together: Youth/Adult Partnership*. In this video, young people and adults talk honestly about working together as partners. Now is your chance to hear their candid views on the benefits, challenges, and joys

adults gain new skills while engaging in reflective activities that lead to improvements in their program, project, or activity.
